Vision Statement & Mobility Goals

Allina Health will invest in parking and mobility management in response to the evolving and diverse travel needs of its patients, visitors, and employees.

1

Enhance the Patient Experience

Prioritize access and mobility for Allina's core healthcare mission.

2

Attract and Retain

Invest in innovative and competitive benefits that attract and retain employees.

3

Diversify Access Options

Enhance and augment policies and programs for transit, ride sharing, walking, and biking.

4

Be Good Neighbors and Stewards

Support transportation options that are high-quality, safe, and sustainable for the community and environment.

5

Prioritize Cost-effectiveness

Future growth should be supported by fiscally responsible transportation investments.

6

Communicate

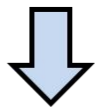

Leverage technology and partnerships to create and support an intuitive travel experience.

Welcome to your FLEXcommute hub

FLEXcommute is a new benefit for employees at Abbott Northwestern Hospital, Tenth Avenue Facility and The Commons - and one of many ways we're excited about supporting you in 2020!

Whether you drive, carpool, walk, bike or use public transit to get to work, FLEXcommute is designed to help you get more from your daily commute:

- Earn rewards for logging your trips to/from work.
- Easily manage your transit card and contract parking.
- Explore carpool matching, public transit support, a Guaranteed Ride Home policy and more!

As you get to know the FLEXcommute hub, you'll find tools to help manage your commute on the left-hand side of this page, and information to plan your commute in the menu bar above.
